Essential Local Enterprise Office Supports

Your Local Enterprise Office provides a vast range of supports - <https://www.localenterprise.ie/Limerick/>. Here are some of the key supports:

- New trading online voucher - <https://www.localenterprise.ie/Discover-Business-Supports/Trading-Online-Voucher-Scheme/>

Selling online – Locally

There are several local food platforms which have seen a surge over the last 8 weeks. Here are some examples

- Neighbour Food - A great solution for any food stakeholder looking to sell their food online locally <https://www.neighbourfood.ie/markets>
- The Doorstep Market - <https://www.thedoorstepmarket.ie/>
- Unify Ordering - <https://www.unifyordering.com/>
- StuffUNeed - <https://www.stuffuneeed.ie>

Promote your Business

Here are some key “signposting” websites that food stakeholders should be on to promote their own sites

- <https://gastrogays.com/covid-irish-food-deliveries/> - Order online, pre-pay and then receive your Covid-19 food delivery
- <https://oonagheats.com/food-producers-online/> - Online directory for food and drink producers in Ireland
- <https://shoplocal.irish/> - Another site you should be on this if you are selling online

DFC Producer Highlight

Well done to DFC producer **Jo's Absolute Nutrition** who has fully reopened and rehired its nine staff on a full-time basis after it saw a big uptick in business following coverage of its plight on RTÉ's Six One News earlier this month.

Be sure to send us through any Dublin food/beverage achievements.
