# Executive Partnership Programme

As a loyal IPBN member, you already know the benefits of being part of our network. We now want to give you the opportunity to enhance these benefits by becoming an IPBN Executive Partner and support the IPBN mission. These enhanced benefits are exclusive to Executive Partners.

The IPBN has experienced a steady and constant growth and is currently made up of more than one hundred eighty Member Companies based in Portugal and Ireland. The Network is active in 4 different regions (Lisbon, Porto and the North, the Algarve, and Dublin), holding regular activities, making valuable connections, and providing extensive coverage for our members.

The IPBN is recognised by the State Agencies of both Ireland (Enterprise Ireland) and Portugal (aicep Portugal Global) and is unique as it is the only independent organisation recognised by the Portuguese Government, the Irish Government and State organisations, with the exclusive support of both Ambassadors in Portugal and Ireland.
