

EUROPEAN AIR LAW ASSOCIATION

THIRD COPENHAGEN
AIRCRAFT FINANCE LEGAL SEMINAR

Copenhagen, Friday 24th September 2010

Skt. Petri Hotel

EUROPEAN AIR LAW ASSOCIATION (EALA) 3RD AIRCRAFT FINANCE LEGAL SEMINAR

It is with great pride that EALA welcomes you to its third aircraft finance legal seminar with Hotel Skt. Petri, Copenhagen as the venue. Since 2006, EALA has arranged aircraft finance seminars in Copenhagen focusing on important legal issues for the aviation finance industry. It is fair to say that EALA over those years has gained international recognition and respect as a leading forum for discussion of topical legal issues regarding aviation finance.

The mission of EALA is:

- To serve as the leading and essential association addressing the development of air law in Europe.
- To ensure dissemination of information about, and the study of, air law in Europe.
- To be a forum for the exchange of views and provide an opportunity for those interested in European air law to meet each other.
- To engage in or promote any other activity which the EALA's Committee of Management decides is in furtherance of EALA's principal objects.

This year, the morning session will deal with practical and other issues surrounding the International Registry (the Cape Town Convention), followed by a session on the contractual indemnity system in various types of agreements, such as lease and loan agreements. After lunch, a panel will be discussing current legal aircraft lessor and financier issues. John Cruse will then present his recurring update on the aviation insurance market and the final panel of the day will deal with export credit finance matters.

EALA invites all aviation lawyers, lessors, financiers, insurance providers, airlines and other industry representatives to attend.

You are cordially invited to attend the conference dinner on Thursday evening, 23rd September 2010.

Please book at your earliest convenience for this interesting event under the auspices of EALA.
