EUROPEAN AIR LAW ASSOCIATION (EALA)

35TH ANNUAL CONFERENCE

EALA is delighted to invite you to attend its 35th Annual Conference, to be held in Stockholm. Stockholm has a deep history as it was founded in 1252.

It hosts the principal corporate headquarters of Swedish companies and is the main centre of prestigious academic institutions which enjoy worldwide recognition. It is also known for its innovative and sparkling artistic and cultural life.

EALA'S MISSION

Since 1989, EALA has arranged conferences and seminars in Europe focusing on important legal issues regarding the aviation industry. Over those 35 years, EALA has gained international recognition and respect as a leading forum for the discussion of topical developments regarding aviation law, especially from a European perspective.

The mission of EALA is to:

- serve as the leading and essential association addressing the development of air law in Europe;
- ensure dissemination of information about, and the study of, air law in Europe, and
- be a forum for the exchange of views and provide an opportunity for those interested in European air law to meet at EALA's events.

EALA'S 35TH ANNUAL CONFERENCE

As always, air transport is on the move, and with that, air law and policy. It keeps on attracting attention from many sides, including and foremost its users, but also national, European and global policymakers, because an increasing number of interests have to be matched. These interactions are carefully reflected in the agenda of EALA's 35th annual conference. It pays attention to the relevance of European law for air transport, the challenges faced by the accessibility and sustainability of the internal EU market, also considering its place in a global context, the privacy of people using air transport, and the use of new vehicles in airspace.

Traditionally, the EALA annual conference will be terminated by the presentation of the EALA awards to two students who have been selected by EALA's academic Committee. The first prize winner will summarize his or her paper. After that, all participants are invited to attend cocktails.

Please book at your earliest convenience for this interesting event organized by EALA.

PROGRAMME

THURSDAY 9TH NOVEMBER 2023

19:00
