

QUALITY, ENVIRONMENTAL AND OHSAS POLICY

The continuing policy of Denis Moriarty The Kerries Limited is to provide a professional and efficient service to meet all of the requirements of our customers. This achievement will result in securing efficiency and enhancement of long-term profitability.

The management, staff and all contractors engaged by Denis Moriarty The Kerries Limited are committed to preserving the integrity, success, profitability and quality of our company, to the ongoing continuous improvement of all tenders and projects.

We are committed to always providing a safe working environment and minimising the risk of injury for all employees' contractors and visitors. We commit to comply with all relevant and applicable Health & Safety and other legislative and regulatory instruments directly applicable to our business and to the requirements of our clients and with all other requirements and standards to which the company subscribes. We endeavour at all times to eliminate the risk of pollution from the company activities and to control our use of resources and the effect of our company on the environment. We also endeavour to encourage environmental awareness and best practices amongst our suppliers and sub contractors to improve the delivery of our services. These are appropriate to the nature and scale of the services we provide and to the occupational health and safety risks.

All management, staff and contractors are accountable to our clients and to all recognised interested parties. We deliver reliable products and services to meet agreed client requirements and other non stated or statutory requirements.

All members of the management, staff and contractors are empowered to be flexible and to continually improve our processes. This is achieved through ongoing communication with all relevant parties, management review of all processes and systems and the setting of objectives which are documented for all levels of the company and effective management of the processes to achieve these objectives on an ongoing basis.
